### **DETAILED ACTION**

1. Claims 1, 5-8, 10, 11, 13-16, 20-23, 25, 26, and 28-30 are pending in this office action.

#### ***Continued Examination Under 37 CFR 1.114***

2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on February 29, 2008, has been entered.

3. Applicant's arguments, filed February 29, 2008, have been fully considered and are persuasive.

#### ***Claim Objections***

4. Claims 13 and 28 are objected to because of the following informalities: claim 13 should depend from claim 11 and claim 28 should depend from claim 26. Appropriate correction is required.

***Claim Rejections - 35 USC § 101***

5. 35 U.S.C. 101 reads as follows:

Whoever invents or discovers any new and useful process, machine, manufacture, or composition of matter, or any new and useful improvement thereof, may obtain a patent therefor, subject to the conditions and requirements of this title.

6. Claims 1, 5-8, and 10 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter. Claim 1 recites a rights-managed documents... the document comprising. If indeed Applicant is attempting to claim a document, then this is nothing but a data structure which does not fall within any of the statutory categories. The claim is not directed to a process since it is not a series of steps. The claim is also not directed to a machine since it is not a device(s), nor directed to a manufacture since it is not produced from raw materials. And it is also clearly not directed to a composition of matter and is therefore nonstatutory. Claims 5-8 and 10 depend from claim 1 and therefore inherit its deficiencies.

***Allowable Subject Matter***

7. Claims 11, 14-16, 20-23, 25, 26, 29, and 30 are allowed.
